

QUICKCAB CABINETS USER-GUIDE

Sustainable quick-build kitchen cabinets available
in a variety of colors.

PLEASE NOTE

The information contained in this literature is for illustrative purposes only to assist in choosing your desired kitchen. While we endeavor to keep the information up to date and correct we do not make any representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability and suitability of the doors and products that appear in this literature.

We aim to showcase as many different items as possible and therefore some products have been installed and photographed purely to show as many of our product features as possible and they should not be taken as an example of how they are intended to be installed in real kitchen installations. It is therefore the responsibility of the installer to check the corresponding manufacturer's installation information and the manufacturer's technical information to ensure this is up to date and to ensure that the products can be fitted in a way they are displayed and the products are suitable for your requirements.

We specifically exclude any liability in this regard unless the products are fitted in accordance with the specifications we supply and the manufacturer's installation recommendations are used in a way recommended by the manufacturer and in accordance with the manufacturer's technical information provided.

The information shown in this literature is accurate as at the date of print/release shown on such information but it may be subject to changes after such date. Please therefore ensure that you are viewing the most current product information available and check with us if you have any doubt about the suitability of the product or accuracy of the information shown.

We are proud that all our products that we sell are covered by a statutory warranty but this does not stop all our products naturally ageing overtime. As a result of this natural ageing process we are therefore unable to provide an identical color finish to the existing products you have purchased from us with any products that we supply you from the same product line. In such an event our liability will be limited to the purchase price paid for the product you are seeking to replace.

Due to the limitations on photographic reproduction, colors may differ slightly from the actual products shown. Please note that board matches listed with the doors are a suggestion only and better board matches may be available on the market. It is up to the individual to decide on its suitability.

Solid 18mm back panel
on base units for strength and rigidity

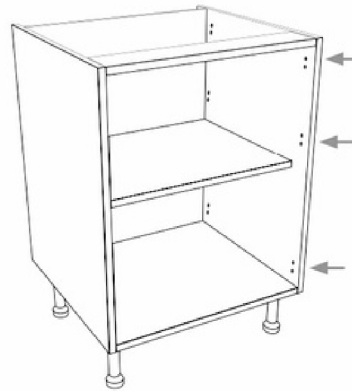

100mm cross rail
for added stability & practicality

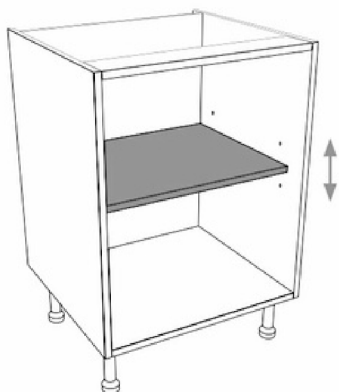

2mm PVC leading edging*
for high impact resistance

Pre-drilled drawer holes
for drawerline, 2 drawer pack & 3 drawer pack

Variable shelf position
with metal studs for easy repositioning

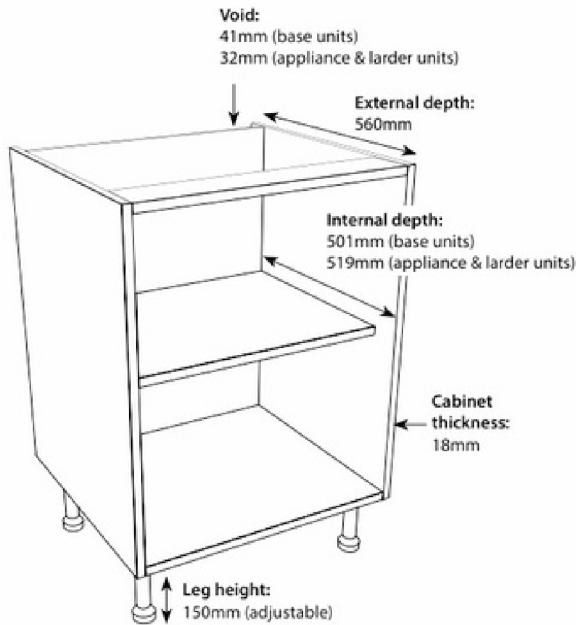

150mm adjustable legs
to compensate for uneven floors

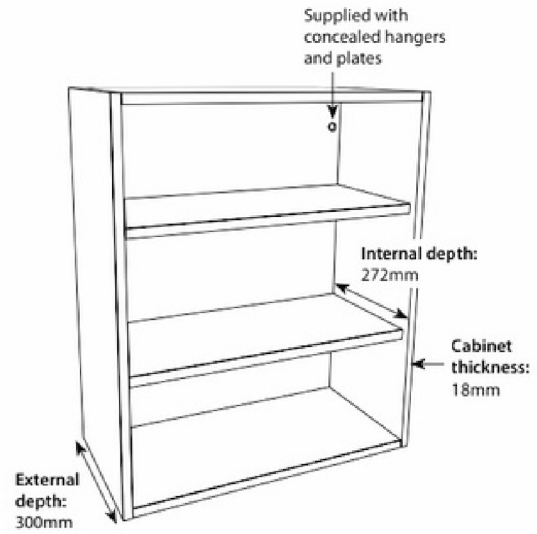

All Quickcab units have a 2mm leading edge on shelves, except for curved units where the radius does not allow this edging to be used. For these items the edging will be 0.8mm ABS tape. All other exposed leading edges will be a 0.4mm melamine edge.

CORNER BASE UNIT INFORMATION

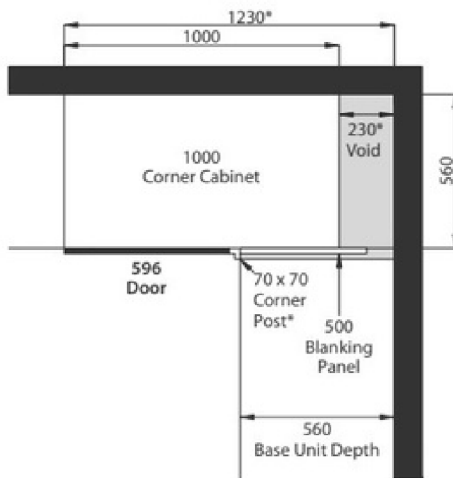

Base Unit: 800mm (w)
Door size: 396mm (w) x 715mm (h)
Blanking panel: 500mm (w), can be cut to size

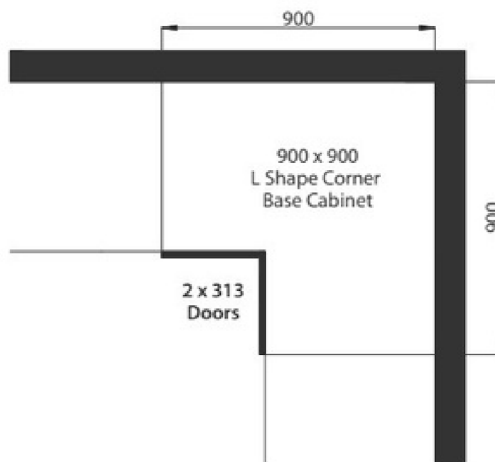

Base Unit: 900mm (w)
Door size: 446mm (w) x 715mm (h)
Blanking panel: 500mm (w), can be cut to size

Base Unit: 1000mm (w)
Door size: 496mm (w) x 715mm (h)
Blanking panel: 500mm (w), can be cut to size

Base Unit: 1000mm (w)
Door size: 596mm (w) x 715mm (h)
Blanking panel: 500mm (w), can be cut to size

Base Unit: 900 x 900mm L-shape
Door size: 2 x 313mm (w) x 715mm (h)
Hinges: 165° and Pie-cut Corner hinges to be used for the bi-fold corner door

*** PLEASE NOTE:**

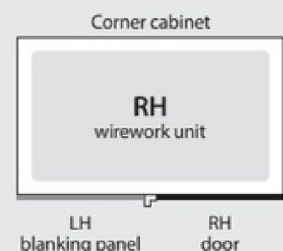

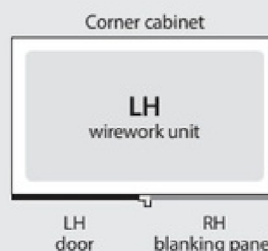

Dimensions are based on 70 x 70mm Vivo slab corner post. Corner post sizes vary between ranges which affects the size of the required distance from wall to end of corner cabinet. Please make sure the distance is adjusted to reflect the size of the corner post for the specific door range.

eg. Lucente J-pull corner posts are 60 x 60mm which means distance from wall to end of corner cabinet is 10mm shorter.

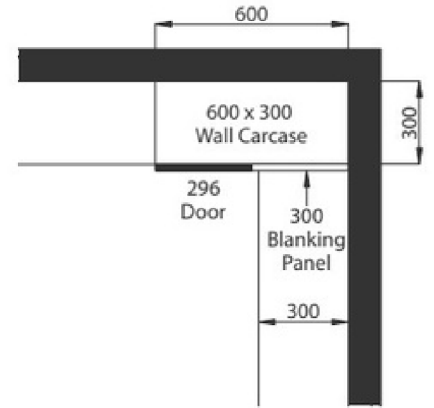

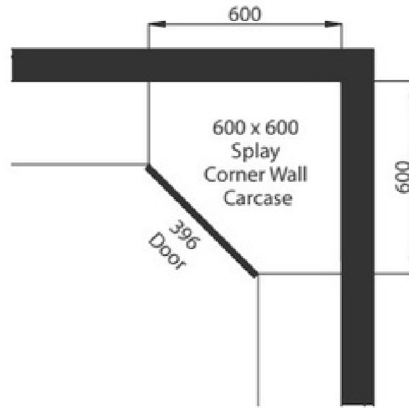

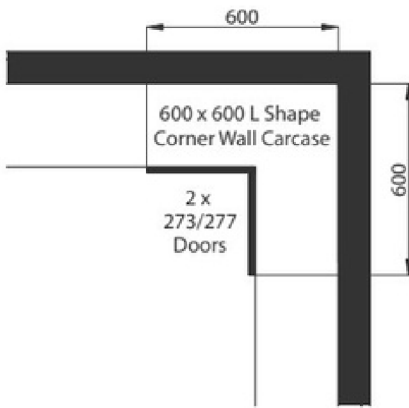

Void is covered by the worktop after installation.

Guide to LH / RH corner wirework units

Wirework is handed by the side the door is on. The door is hinged on the side that the blanking panel is on (applies to Combi pull out shelves).
